April 7, 1978

Dear Cast Members:

I have noted with a great deal of pride your tremendous efforts during the Easter holiday season. Not only did you entertain record numbers of guests, but you successfully maintained one of our most important Disney traditions . . . providing the finest quality family entertainment experience available anywhere.

I receive many letters from Walt Disney World guests commenting on the job you are doing. A recent letter from Mrs. Anita C. Milano of Guilford, Connecticut expresses far better than I ever could just what your efforts mean to our guests.

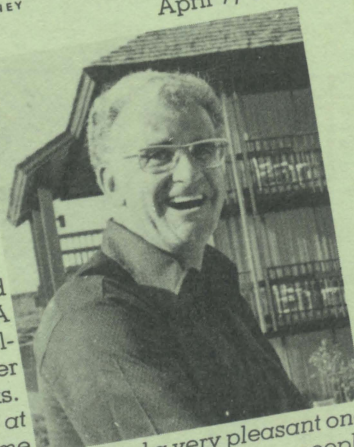

"We've just returned from a six day stay at Walt Disney World and had such a good time . . . it did seem as though we were in another world, and a very pleasant one at that. It seems that everything works smoothly in your world. Your people are so helpful and courteous that it was a shock to return to the real world. Keep up the good work. It's lovely to realize that a place such as Walt Disney World can work and bring out the best in people in the process."

This kind of guest experience doesn't just "happen." It takes a lot of hard work and dedicated people in every area of our company to create this kind of experience for our guests.

Since I don't have the opportunity to express my appreciation to each one of you individually, I want to take this opportunity to thank you for all you have done. The spirit of teamwork and enthusiasm you have shown is overwhelming.

Best personal regards,

# CONVENTION/CIVIC CENTER VOTE APRIL 25

On April 25th, Orange County voters will be asked to approve an ordinance establishing a Tourist Development Tax which would ultimately lead to the construction of the Orange County Convention/Civic Center. This facility will be designed to house conventions of up to 25,000 delegates as well as to accommodate community, cultural, and entertainment events. By law, only funds generated by the 2% surcharge on tourist lodging will be used to finance this center.

The construction of an adequate civic center will insure that Orlando will remain competitive with other cities for the profitable convention business. In addition, it will help to level out the tourism activity in Central Florida, providing more jobs on a year-round rather than a seasonal basis.

At the time voters approve the Tourist Development Tax, they will be asked to make their preference for the Orange County Convention/Center site. Four sites for the center

have been proposed with the land being donated by the landowners.

The first site is located at Interstate 4 near the Beeline Expressway Interchange and was offered by Florida Land Company. A second site, offered by Orlando Central Park, is located north of the Beeline Expressway and I-4 Interchange. The third site in Florida Center is offered by Major Realty. The City of Orlando has also offered land at Exhibition

Park in downtown Orlando for the fourth site.

The issues voters should take into consideration when indicating their site preference include the suitability of each site from the standpoint of many complex features such as the location of hotels and motels which will support the facility, access, drainage, and proximity to major roads as well as convenience to residents who will attend events there.

Whatever your individual site preference is, plan on voting **in favor of** the Tourist Development Tax on **April 25th**.

The Orange County Civic Center's Community Referendum Committee needs volunteers to assist in a telephone canvass to supply Orange County voters with information about the referendum to be voted on April 25th.

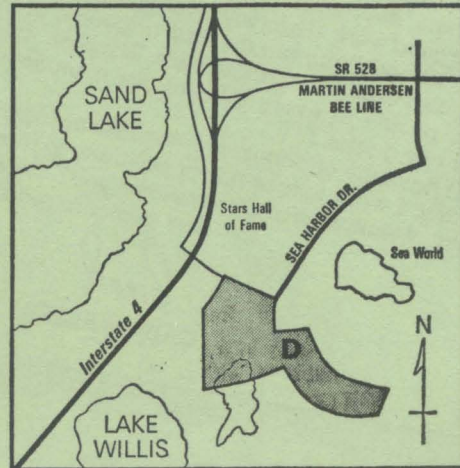

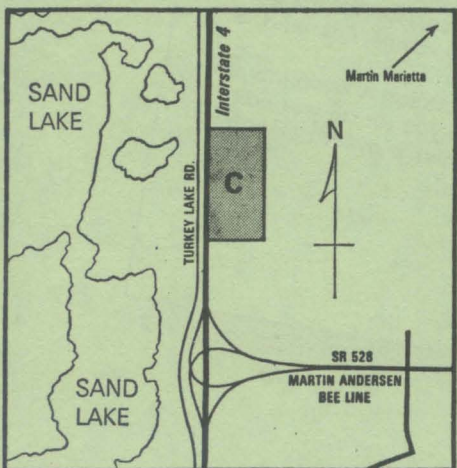

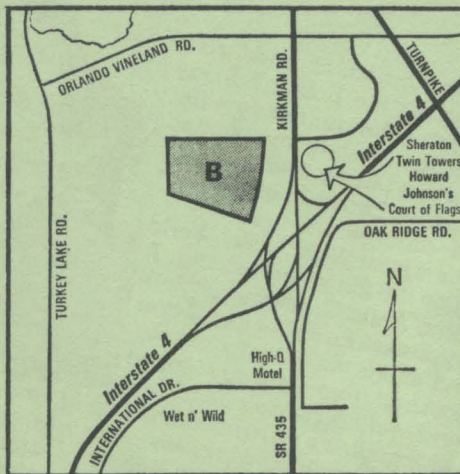

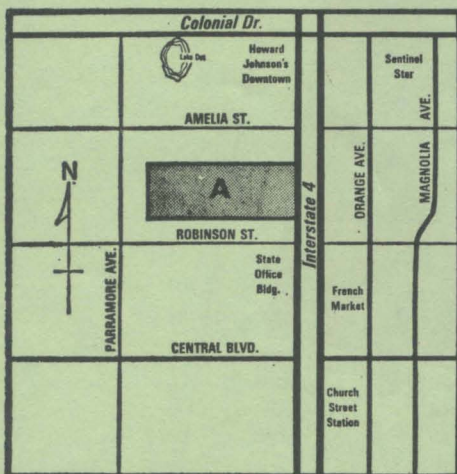

Help is needed throughout the day and evenings . . . choose the most convenient time for you to assist at either location.

- Community Referendum Committee Headquarters  
1315 West Colonial Drive  
Monday through Saturday  
9 am - 9 pm
- Orlando Chamber of Commerce  
75 East Ivanhoe Boulevard  
Monday through Saturday  
7 pm - 9 pm

If you would like to volunteer a few hours of your time, please call Becky Johnson at 824-4524 to sign-up and receive further information.

Absentee ballots must be received at the Election Office before 7:00 pm, April 25th, the day of the referendum vote.

Registered voters who will be out of town for the upcoming Tourist Development Tax Referendum vote on April 25th may obtain an absentee ballot at the Orlando Election Office on One North Orange Avenue or by calling the Election Office at 420-3451.

# "It Takes People"

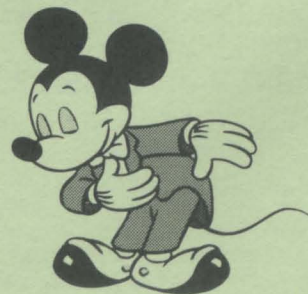

The underwater world of a scuba diver may frighten off many of us heartier types, but for **Lois Lammers**, a waitress at our Liberty Tree Tavern, it's a world full of beauty. Admitting the sharks can sometimes get aggressive, they haven't bothered her since her first dive over three years ago. Most of her weekend dives are off the Daytona Beach coast, and if the water's not right for a dive she just lays around and enjoys the sunshine! A native of Ohio, Lois was actually raised in Fort Lauderdale, where she must have acquired her love of the ocean! She joined our Disney Cast four years ago after graduation from Pompano Beach high school. Although her job as a waitress keeps her busy, she really enjoys the opportunity to meet people from all over. She also admitted the hours were just right for her diving trips!

It all started with a blown engine and no way to get home for **Thomas Dillon**. Originally from Athens, Georgia, Thomas was vacationing in Florida when the unfortunate . . . or was it really lucky . . . incident occurred. There was only one thing to do with a broken down car . . . find a job and stay in Florida! That was almost eight years ago and Thomas has been a Cast member in our Custodial department ever since. In his free time he enjoys participating in sports and is presently a member of the Custodial basketball team. Although he says at one time he was a very shy person, eight years with Disney has changed all that. Now, the one aspect of his job which appeals to Thomas the most is that it gives him the opportunity to meet and talk to new people.

The challenge and excitement of the world of politics is what **Brenda Milam**, a hostess in the Tinkerbell Toy Shop Stockroom, finds fascinating. After graduating with a degree in Criminology and Social Work from Anderson College in Indiana, Brenda returned to her home state of Ohio and spent some time working for local politicians before a Florida vacation turned into a permanent move here five years ago. Her love for politics did not diminish when she moved to Florida. Brenda has been actively involved with the Democratic Executive Committee and plans to continue working for them . . . when the right candidate comes along! Eventually she hopes to return to school to acquire a Masters degree and possibly enter the field of Social Work.
